# The ikey Connect App functionalities

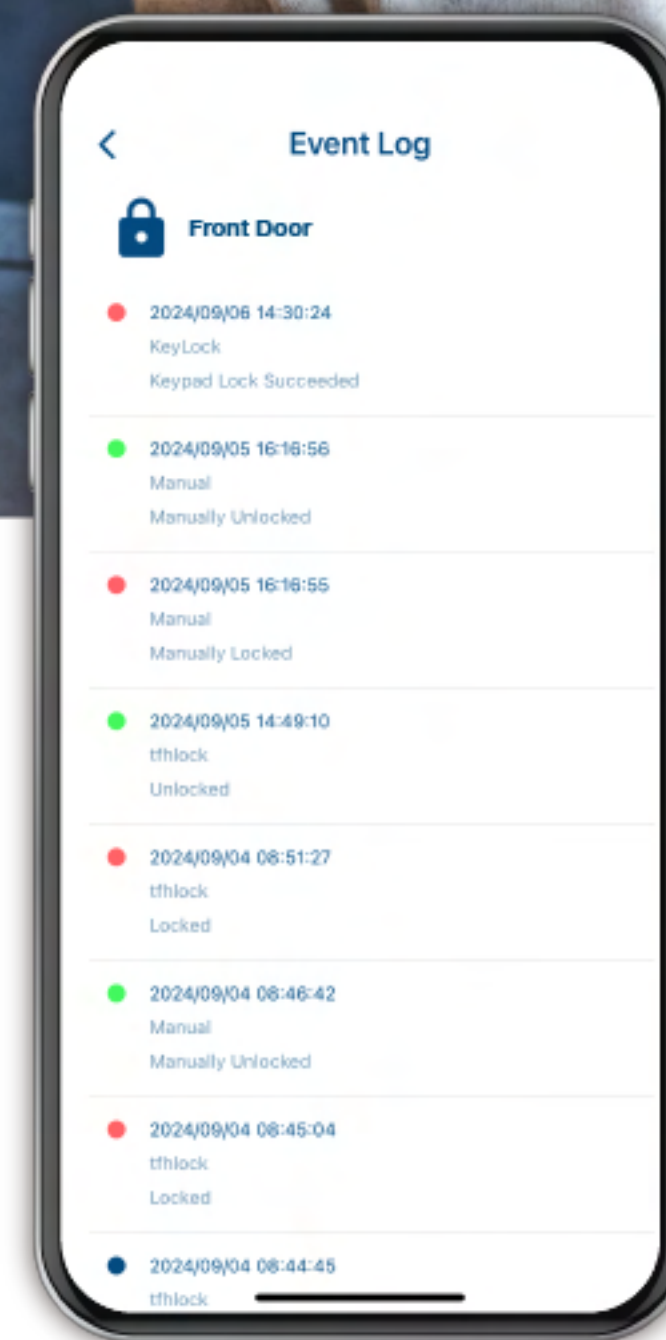

## Lock/Unlock with Mobile

Easily lock or unlock devices using your smartphone, replacing traditional keys and PIN codes. Enjoy quick, convenient access with a simple tap on your mobile device.

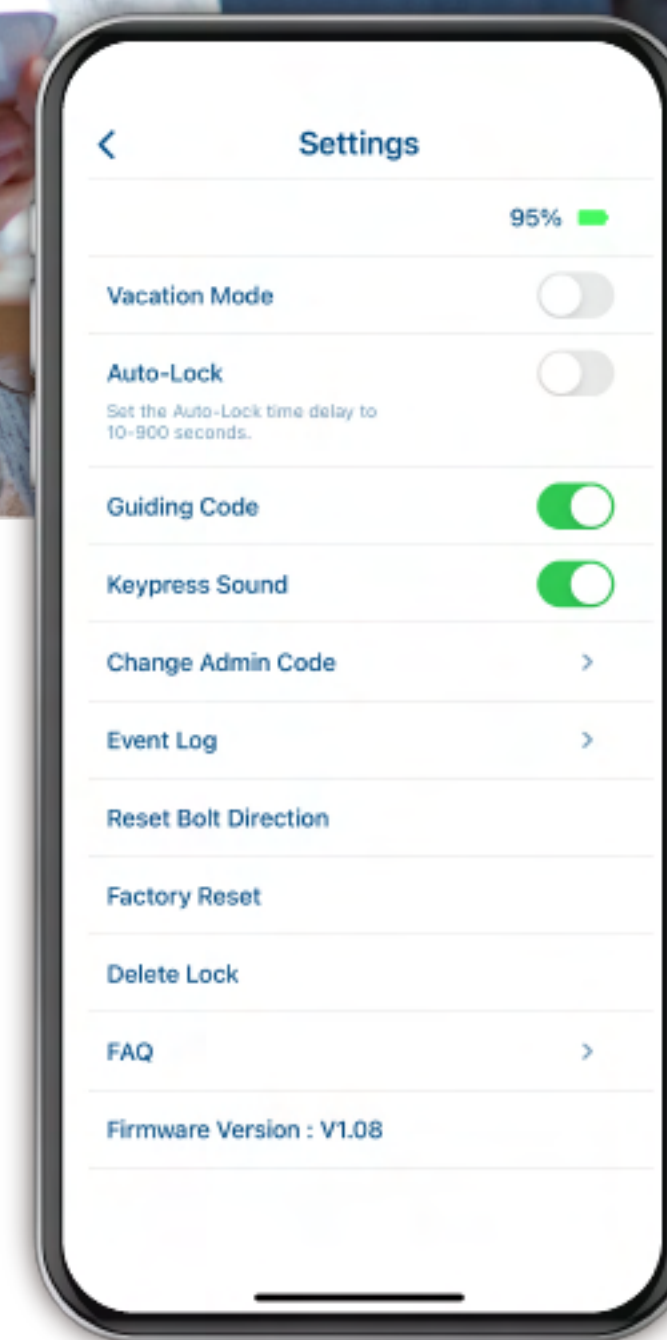

## Manage Access for Others

Grant or revoke access to your devices for family, friends, or guests. Using your mobile app, you can assign temporary or permanent permissions, ensuring only authorized individuals can access your property.

## Event Log

Keeps a detailed log of all lock/unlock activities, showing who accessed the device and when. View the full history through your mobile app, ensuring complete visibility and enhanced security.

## Visible Settings

Allows you to view and customize lock settings through your mobile app. Easily check device status, update preferences, and adjust configurations, all from one convenient interface, ensuring easy control and management at a glance.

UP TO  
**200**  
ACCESS CODES

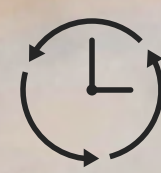

# Easy, Secure Guest Access

Share up to 200 temporary, scheduled or permanent access codes with family and trusted guests.

## One Time

One-time-usage  
code access

## Permanent

Have permanent access

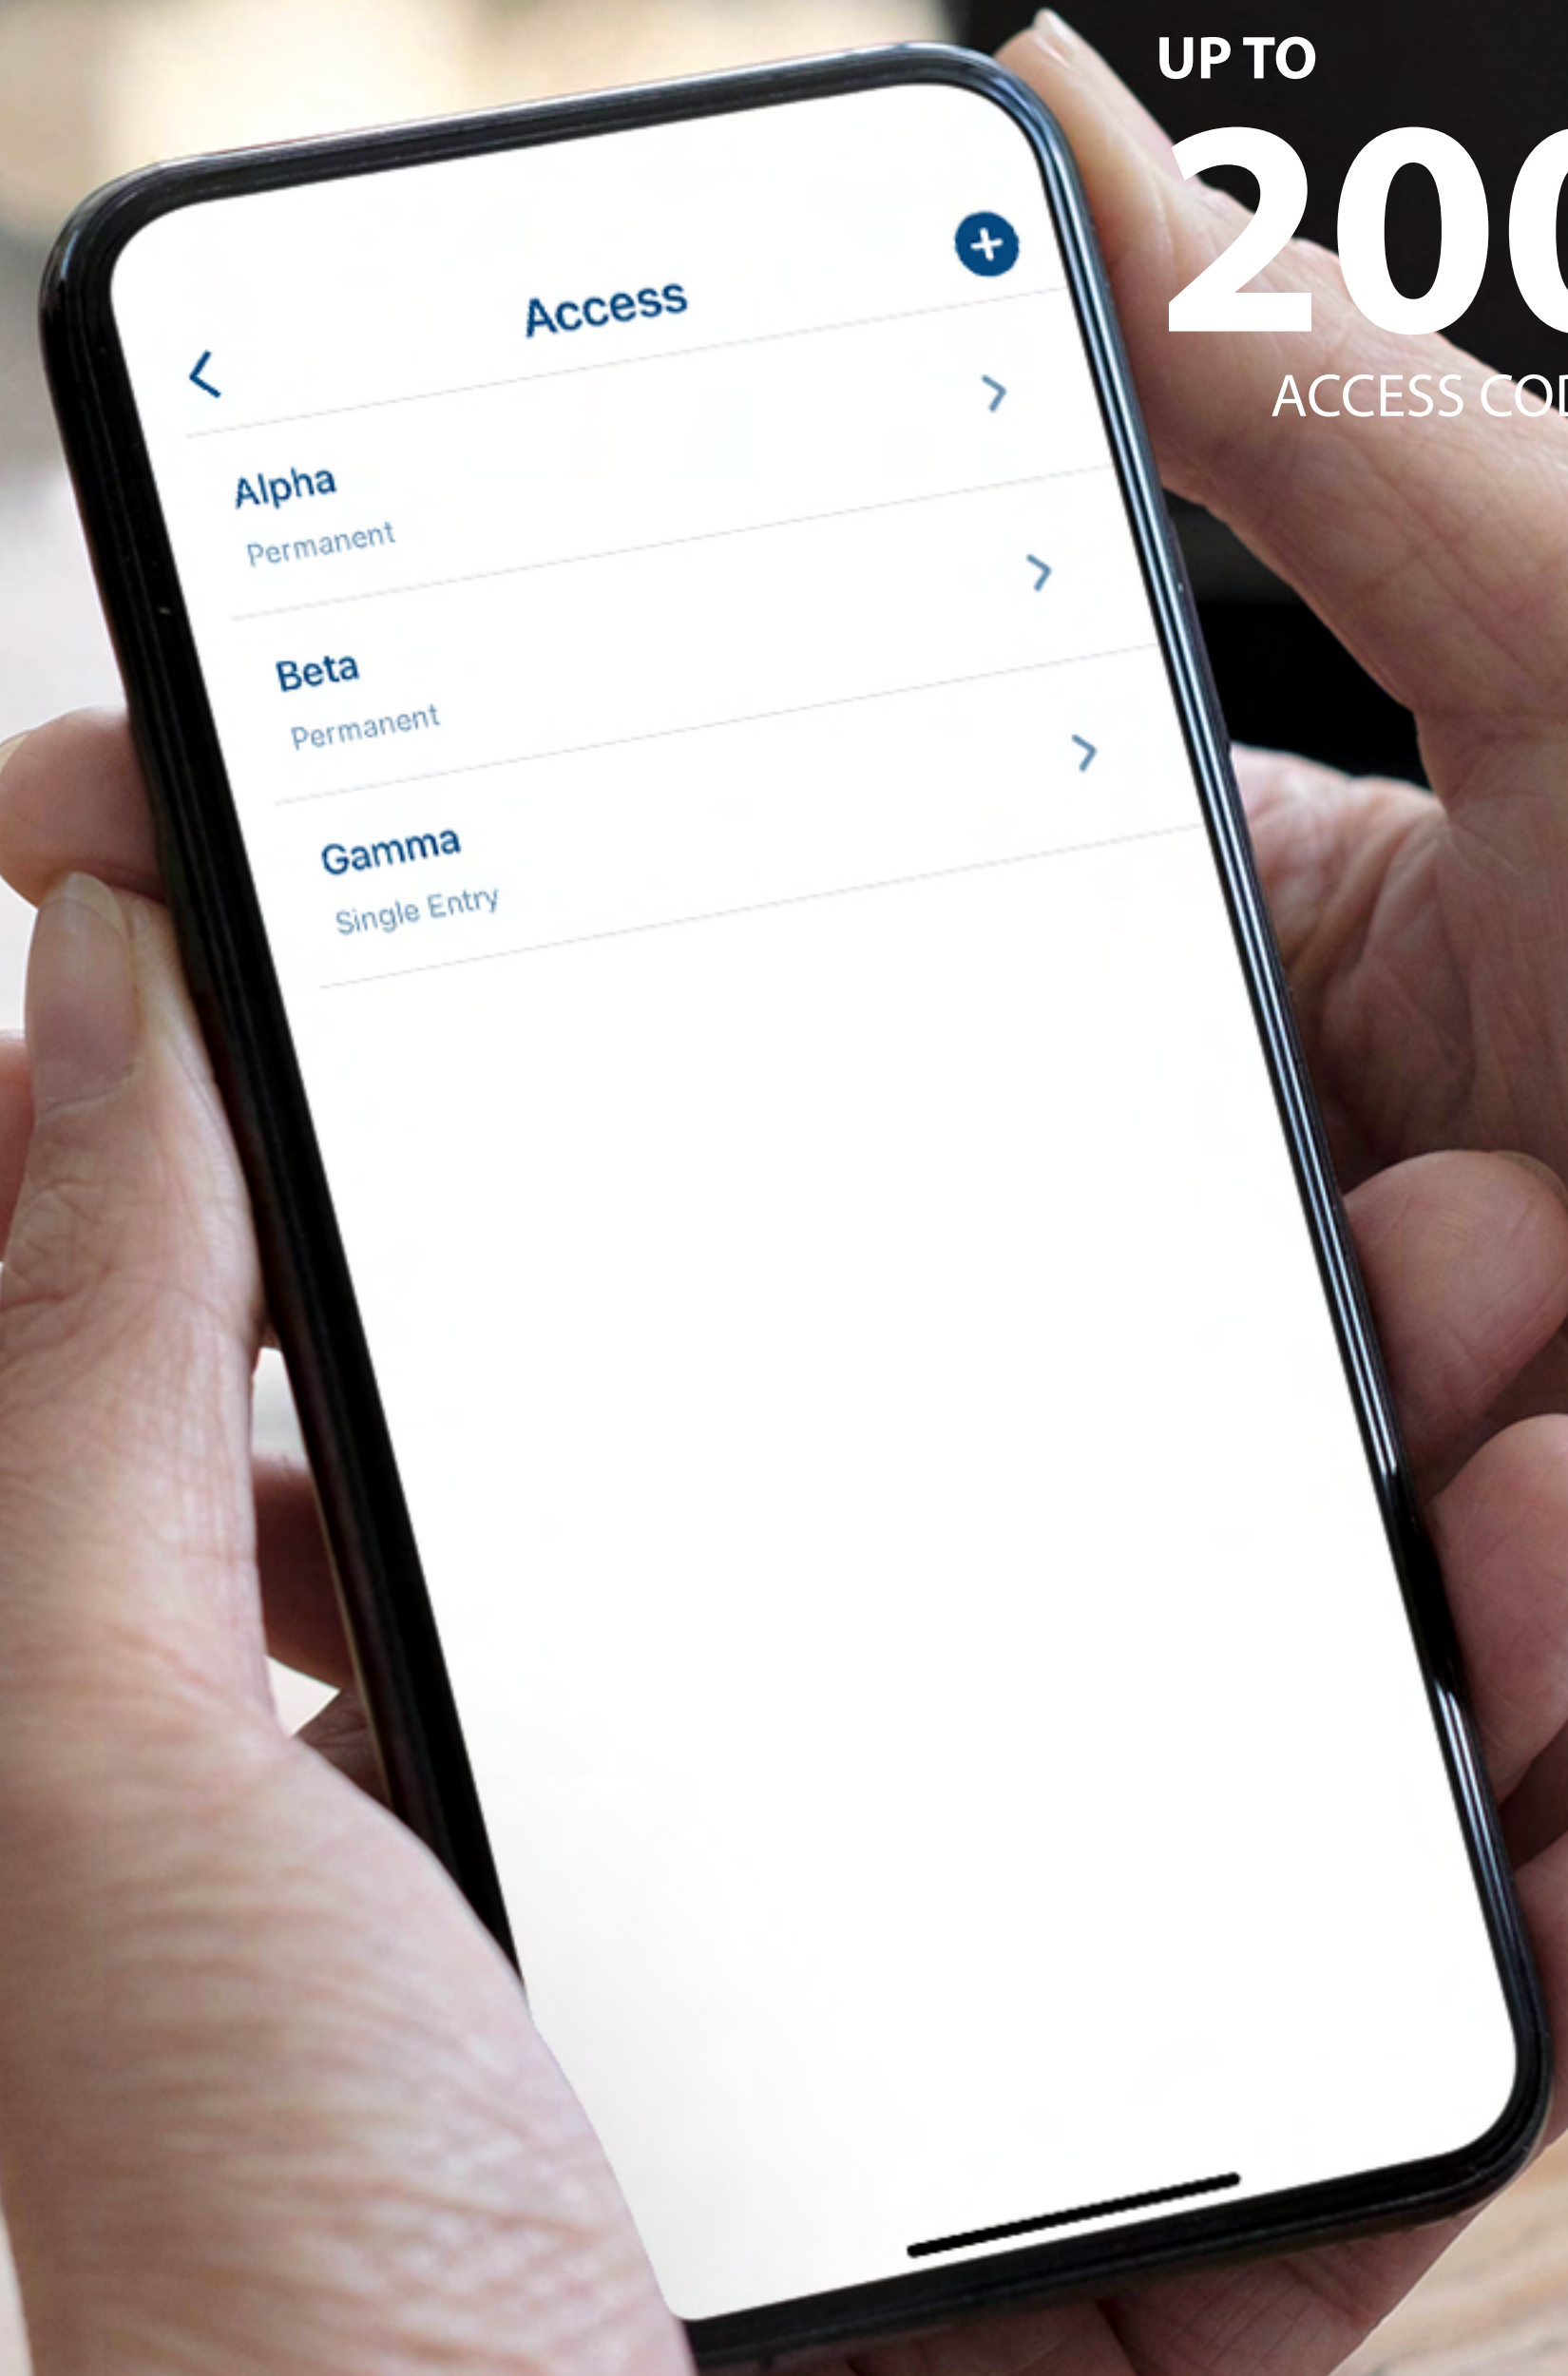

## Recurring

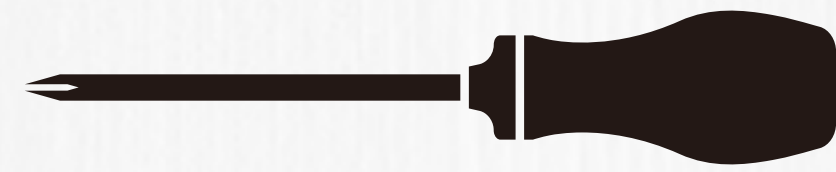

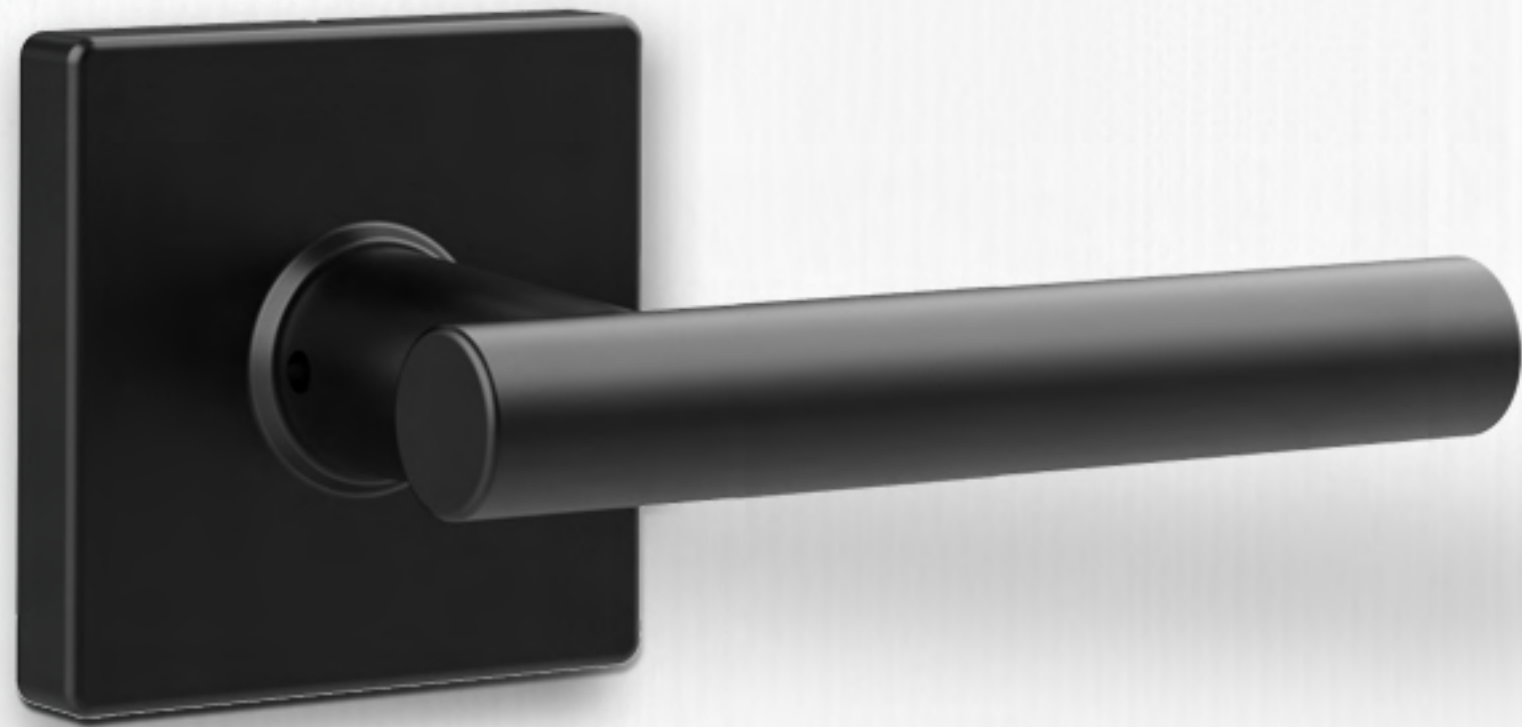

10-11 a.m. every Thu.

## Valid Time Range

2-5 p.m. Aug. 5th

# Easy Installation

Installation is a breeze, taking less than 10 minutes with just a screwdriver.

# Product Specification
